kailuacert@gmail.com

What is CERT?

A corps of trained volunteers who would activate themselves immediately after a disaster to assist their families, neighbors and communities until first responders can reach the affected areas.

Oahu is subject to tsunamis, hurricanes, flooding and even tornadoes.

CERT Training Topics

- Disaster Preparedness
- Fire Safety & Utility Controls
- Disaster Medical Operations
- Light Search & Rescue Operations
- CERT Organization
- Disaster Psychology

KAILUA CERT – Alert and Prepared

After completing CERT training, you are welcome to join the Kailua CERT group or any other CERT group.

Be prepared now for what may come tomorrow.
