

KAILUA CERT

ALERT.PREPARED.SAFE

The mission of the **Kailua Community Emergency Response Team (CERT)** is to activate the Kailua Operations Center and mobilize CERTs and licensed amateur radio operators to save lives in response to a major tsunami or hurricane should one impact Kailua.

Kailua CERT is a group of community volunteers that meet the 3rd Tuesday of each month (except June & December) at 6:30pm. Check the KAP calendar for the location. Come check us out! We train in:

- Light search and rescue operations
- Basic disaster medical operations
- Licensed amateur radio (Ham) and family radio service (FRS) operations

*Must attend a **FREE, 3-day CERT training** offered by the City & County of Honolulu, Department of Emergency Management.*

Visit www.OahuCERT.net for details.

Follow **kailuacert** on Facebook!

KAILUA CERT recognizes that in the event of an Oahu or state-wide MAJOR tsunami or hurricane - one that exceeds the capacity and capability of government to respond to emergencies in a timely manner - Kailua residents will need to fill the gap between the time of the disaster and the time when outside help arrives.

WHY WAIT?

GET TRAINED AND JOIN OUR TEAM NOW!

2019 Class: June 15 & 22 @ Kailua District Park Rec
June 29 @ Battery Harlow
